Application: Bartender at Fable

London, United Kingdom, 10 December 2024

Dear Hiring Manager,

I am writing to express my interest in the Bartender position at Fable. With over five years of bartending experience and a recent qualification as a mixologist, I am eager to continue working in the hospitality industry while pursuing my undergraduate degree in Business at London University part-time. I believe this position would offer the perfect opportunity for me to further develop my skills as a bartender and gain valuable insight into the business side of operations, which is my long-term goal.

I have developed strong customer service, multitasking, and mixology skills throughout my bartending career. Working at exclusive bars, I've learned the importance of building relationships with customers, managing high-volume service periods, and maintaining a welcoming and efficient atmosphere. I am proud of my ability to create memorable experiences for guests and stay composed under pressure.

However, after working in the industry for several years, I have decided to further my education in business to pursue a career that combines my passion for hospitality with my growing interest in management. I am particularly excited about the possibility of working behind the bar and gaining exposure to the operational and managerial aspects of the business. I would love to explore opportunities for job shadowing in management and learn more about the daily operations of running a bar or restaurant from a strategic perspective.

I am excited to bring my bartending experience and enthusiasm for the industry to your team while growing my business knowledge. Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to the continued success of Fable.

Sincerely,
Olivia Harrison
